18. NEW BUSINESS

- Request from CTC to rent the Aquatic Center.

- Clean Water Small Community Engineering Assistance Grant Application is included in the packet for Council approval.
- Request from Kevin Davenport to build a hangar at the Airport. Included in the packet is an engineered drawing of the structure. The Commission will be using the previous terminal area drawing for guidance with hangar placement, including adhering to the current building restriction line. As soon as the site plan is fully developed, we will be submitting an FAA 7460-1 online along with coordinates for each corner of the structure. Dennis Jacobs will be assisting in this filing. The Commission engaging with the City Attorney will be drafting a lease for the Airport ground that the structure will be built on. The Commission is asking for approval from the Council to allow the hangar to be built and work with the City Attorney, the FAA and the engineer during the process in order to move the plan along in a timely manner.
