Increase in sanitation services

Dear Butler Residence,

After 48 years, Bates County Disposal will no longer be providing the sanitation services for the City. Butler has been very fortunate to have Spud Welston as our contractor with his outstanding service and exceptionally low fee.

Countywide Disposal (which recently acquired Bates County Disposal) will now be our trash service provider as of January 1st, 2023. They are committed to not only to provide superior service at a competitive price, they are also adding a few additional services. Those include providing a tip cart to all residence, an amnesty day for bulk items, and a City recycling bin.

Unfortunately, the sanitation industry has seen their costs skyrocket just like everyone else. And like all businesses those costs are past down to the consumer. Effective on your February billing, the new rate for sanitation services will be \$22.22 per month.

Additional information is listed below from Countywide disposal.

Respectively,

Mike West

City Administrator

Countywide
DISPOSAL

In the month of January, you will receive a tip cart from us. Once you receive the tip cart, please start using it immediately. If you need an extra trash can or a smaller one, please call our office at 660-679-0717. We will

require that trash is bagged and tied. This helps keep our guys safe and helps prevent litter. Trash days will remain the same as they were before.

Household waste- food, food waste, food contaminated containers or cartons, paper goods, kitchen waste, cardboard, glass, plastic, etc.

Amnesty Day-On the first Tuesday of each month we will hold an amnesty day. On this day, **ONE** bulk item will be picked up at no additional charge.

Bulk item- Excess household trash, mattresses, box springs, bicycles, large toys, car seats, grills (no propane tanks or hot ashes), furniture fixtures (no fluorescent lights), sofas, chairs, tables, etc. If you have more than one bulk item or do not want to wait until amnesty day, please call our office for a quote to get it picked up.

White goods- refers to appliances such as: ovens, refrigerators, freezer, hot water heaters, dishwashers, washer and dryer, microwave, tv's, computers, air conditioners, etc. These items require a special pick up. These items must be called in to our office to get them picked up. There will be a fee that will be required up front to have these items picked up.

Nonacceptable waste- Universal Waste (Yard Waste: leaves, limbs, grass clippings, shrubs, etc.), animal Waste, asbestos containing materials, closed barrels, cans or drums, compressed gas cylinders, explosives, anything highly flammable or volatile (stain, chemicals, etc.), hazardous waste, industrial waste, incinerator residual, infectious waste, liquid waste, motor oil, pesticides, PCB's, radioactive waste, septic tank pumping's or sludge, tires
