Note: The City of Butler has building and zoning regulations that cover residential swimming pools. Section 26-160 of the Butler City Code states that pools may be located anywhere on the premises except the front yard, provided it shall not be located closer than ten (10) feet to any property line. No person shall construct or install a swimming pool without having submitting an application and plans to the zoning inspector. The City of Butler has adopted the 2012 International Building Code, IBC Section 3109 defines swimming pool as any structure that contains water over 18 inches deep. This includes in-ground, above ground, and on-ground pools. Each pool shall be completely enclosed by a fence or barrier at least 4 feet in height. Openings in the fence shall not permit the passage of a 4-inch sphere. The fence or enclosure shall be equipped with self-closing and self-latching gates.
