

Butler Memorial Airport

Request for Bids

Hangar Repairs

1409 N. Orange St., Butler, Mo. 64730

The Butler Airport Commission is seeking bids on the repair of two hangars at the Butler Memorial Airport. These projects are to be bid separately. Bidders must carry general liability and workers compensation insurance. Proposals will be selected on lowest and best bid. Please include the start and completion date. Questions, or to schedule a time to view the projects, may be directed to Airport Manager, Chris Hall at 660-679-6131, or 816-529-5867. Deadline for bids is Noon, September 29, 2023. The Airport Commission reserves the right to reject any and all bids.

1. Replacement/repair of 6x6 posts that have rotted at the floor base. Up to 25 posts at the South Hangar.
2. Flatwork at the Blue Hangar to include cut out and replace up to a 15'x20'x5-6" concrete flooring to include all materials including gravel and rebar.
